on
Election Expenditure Monitoring
For Jammu & Kashmir
Legislative Assembly Election
(October - 2014)

ELECTION COMMISSION OF INDIA

FOREWORD

It is true that multi-party democracy cannot function without use of money, which is essential for election campaigns, but it is also conceded at all hands that the abuse of Money Power entails certain risks like uneven playing field, lack of fair competition, political exclusion of certain sectors, co-opted politicians under campaign debts and tainted governance with rule of law undermined. Keeping in view the said risks, the election expenditure monitoring mechanism was put in place by the Commission, for conduct of free and fair elections after discussions with the stakeholders like the political parties, media and civil society organizations. This Compendium of Instructions on election expenditure monitoring was issued for the first time during general election in Bihar in 2010. The said Compendium is updated before every general election, incorporating the changes made during the process of each election.

2. The gist of instructions and copy of all instructions relating to Election Expenditure Monitoring are given in Part-I and Part-II of this compendium. It delineates the role of political parties, candidates, Election officials and Observers and mentions the relevant case laws pertaining to the election expenditure, thus providing a ready reckoner to the election officials, candidates and political parties. This Compendium guides the officers of various Law enforcement agencies about their role during election process.

3. Curbing the use of money power during election process is a very challenging job in view of its inherent complexities involved. The process is still evolving and requires tremendous efforts and cooperation from all stakeholders in order to ensure the purity of the elections. This compendium has also stood the test in the High Courts and in the Apex Court. Besides giving a perspective on the challenges faced during the elections, this compendium seeks to provide a comprehensive picture about Commission's efforts in dealing with this challenge.

1. Introduction:

Section 85(1) of the Jammu & Kashmir Representation of the People Act, 1957 makes it mandatory for every candidate to the Jammu & Kashmir State Legislative Assembly to keep a separate and correct account of all expenditure incurred or authorized by him or by his election agent, between the date of publication of the notification calling the election and the date of declaration of the result thereof, both dates inclusive. The total of the said expenditure shall not exceed such amount as may be prescribed under Section 85(3) of the Jammu & Kashmir Representation of the People Act, 1957. Under Section 85(2), the account shall contain such particulars as may be prescribed. Rule 90 of the Jammu & Kashmir Conduct of Elections Rules, 1965 prescribes limits of election expenditure for Assembly Constituency of the State. Particulars, which have to be shown in the account, are prescribed in Rule 86 of those Rules. The ceilings on expenditure as prescribed are enclosed at **Annexure 1**. Failure to maintain the account is an electoral offence under Section 171-I of Ranbir Penal Code.

The incurring or authorizing of expenditure in excess of the limit prescribed under Section 85(3) of the Jammu & Kashmir Representation of the People Act, 1957 is a corrupt practice with reference to Section 132 of the Jammu & Kashmir Representation of the People Act, 1957. The beneficial object sought to be achieved by making the incurring or authorizing of election expenditure in excess of the prescribed limit as a corrupt practice was elucidated by the Supreme Court in *Kanwar Lal Gupta vs Amar Nath Chawla* (AIR 1975 SC 308), as follows:

“... The object of the provision limiting the expenditure is two fold. In the first place, it should be open to any individual or any political party, howsoever small, to be able to contest an election on a footing of equality with any other individual or political party, howsoever rich and well financed it may be, and no individual or political party should be able to secure an advantage over others by virtue of its superior financial strength....

The other objective of limiting the expenditure is to eliminate, as far as possible, the influence of big money in the electoral process. If there was no limit on expenditure, political parties would go all out for collecting contributions... The pernicious influence of big money would then play a decisive role in controlling the democratic process in the country....”

According to Section 86 of the Jammu & Kashmir Representation of the People Act, 1957, every contesting candidate is required to lodge a true copy of the account of his election expenses with the District Election Officer (DEO) within 30

days of the declaration of the result of the election. Failure to lodge the account of election expenses within the time and in the manner required by law without good reason or justification may result in disqualification of the candidate concerned by the Election Commission of India under Section 24E of the Jammu & Kashmir Representation of the People Act, 1957.

The Supreme Court has held in L.R. Shivaramagowde Vs. T.M. Chandrashekar - AIR 1999 SC 252 that the Commission can go into the correctness of the account of election expenses filed by the candidate and disqualify a candidate under Section 10A of the Representation of the People Act, 1951 in case the account is found to be incorrect or untrue. Thus not only a candidate is required to keep his election expenses within the ceiling prescribed by law, he has also to maintain a day to day and true account of his election expenditure in the prescribed manner, present the account for inspection by the Observer, RO or authorized person and submit it to the DEO concerned within 30 days of the declaration of the result. Exceeding the prescribed ceiling of expenditure can be a ground for an election petition against a winning candidate. The legal provisions regarding election expenditure are set out in **Annexure-1** of this Compendium. Instructions have been issued by the Commission from time to time on monitoring of election expenditure and its scrutiny. This Compendium brings together at one place the relevant provisions of law and instructions to be followed scrupulously by election officers, observers, candidates and political parties for effective monitoring and scrutiny of election expenditure.

2. Types of Election Expenditure:

Election expenditure can be broadly put in two categories. The first type is the election expenditure, which is allowed under the law for electioneering, subject to it being within the permissible limit. This would include expenditure connected with campaigning like on public meetings, public rallies posters, banners, vehicles, advertisements in print or electronic media etc. The second category of the expenditure is, on items which are not permitted under law. For example, distribution of money, liquor, or any other item to the electors with intent to influence them comes under the definition of bribery and is an offence under the RPC and corrupt practice under the Jammu & Kashmir Representation of the People Act, 1957. The expenditure on such items is illegal. Yet another form of expenditure which is coming to the fore in recent times is on Surrogate Advertisements, *Paid News* etc. The purpose of election expenditure monitoring is, therefore, twofold. For

the first category of expenditure, it must be ensured that all election expenditure on permitted items is truthfully reported and considered while scrutinizing the expenditure account submitted by the candidates. As far as the second category of expenditure including surrogate advertisements, paid news etc., is concerned, it is obvious that it will never be reported by the political parties/ candidates. The systems should be robust enough to catch such expenditure as well, and not only include it in the account of election expenditure, but also take action against the wrongdoers under the relevant provisions of the law, including lodging of complaints before the police/ competent magistrate, if required.

3. Election Expenditure Monitoring mechanism:

For monitoring day to day election expenditure incurred by the candidate, election expenditure mechanism will be put in place in each constituency. Maintenance of the day to day account of election expenditure by the candidate is mandatory. Though the account of election expenditure is required to be submitted within 30 days from the date of the declaration of the result, the monitoring has to be done on a regular basis during the campaign period for it to be of any use. After the campaign is over it will be difficult to get any evidence of election expenditure. Since, the DEO is required under the law to scrutinize and submit a report to the Commission after the election, it is primarily the duty of the DEO to collect proper evidence during election campaign, based on which it will be decided whether any expenditure is left out in the statements of accounts submitted by the candidates. The following will be the structure of the Expenditure monitoring mechanism:

3.1. Structure of Election Expenditure Monitoring Mechanism:

3.1.1. Expenditure Observers (EO) :

The Expenditure Observers shall be appointed by the Commission for specified constituencies to observe the election expenses by the candidates. There shall be at least one Expenditure Observer for each district, but each Expenditure Observer ordinarily shall not have more than five Assembly Constituencies under his observation.

3.1.2. Assistant Expenditure Observers (AEO):

Assistant Expenditure Observers (AEO) shall be appointed for each constituency on date of notification of election by the DEO and if change is suggested by the Expenditure Observer, the same shall be carried out. The AEO shall be of the rank of Group B Officer or equivalent in other Central Government Services. If the officers

of Income Tax Dept. are engaged by the Investigation Directorate for the seizure of cash and goods, then such names should not be requisitioned for the AEO's duty. If there is absence of such officers in the district then officers of the State Treasury or Finance Department may be nominated. He should preferably be a local officer, posted within the same district or nearby but whose work place and home town should not be in the same Constituency. He will be provided with a vehicle, one personal security and a local SIM card, office space in the office premises of the RO, as he will be coordinating with all the teams, nodal officers and the Expenditure Observer. If the HQ of the AEO is different from the constituency, he shall be provided with lodging and boarding in the constituency. He shall claim the Daily allowance as admissible to him and shall be paid by DEO/RO

3.1.3. Video Surveillance Teams (VST):

One or more Video Surveillance Teams shall be deployed for each Assembly Constituency/ Segment consisting of minimum one official and one videographer. If necessary, more number of teams may be deployed on the recommendation of Expenditure Observer. Assistant Expenditure observer shall be personally supervising videography of sensitive events and big public rallies in the constituency. If more than one public rally is organized on the same day, more than one video teams will be deployed to record the procession and the rally.

3.1.4. Video Viewing Team (VVT):

There shall be a Video **Viewing Team** for each Assembly Constituency/Segment with one officer and two clerks.

3.1.5. Accounting Teams (AT):

3.1.6. Complaint Monitoring Control Room and Call Centre:

A 24X7 Call Centre will be established in the Control Room at the district level to operate from the date of announcement of election. The call center will be given toll free telephone number with 3 or 4 hunting lines which will be widely publicized for the public to inform corrupt practices related to election. A senior officer will be put in-charge of the control room and call center who will be responsible for receiving and recording the complaints and passing them on to the officer concerned or the

flying squad for action without any delay. The call center will be provided with sufficient staff to man the telephone lines round the clock.

3.1.7. Media Certification and Monitoring Committee (MCMC) :

There shall be a Media Certification and Monitoring Committee in each district. This will be in expansion of the existing Committee at the level of Returning Officer already in place for certification of advertisements in electronic media created vide Commission's letter No.509/75/2004/JSI, dated 15th April 2004. (**Annexure-17**). As per the instruction dated 27th August, 2012 (**Annexure-70**), of the Commission: The District level MCMC shall be formed in each district with the following members:

Halls:

There are frequent complaints of Marriage Halls/ Community halls or other big Halls being utilized in the past for distribution of gift articles (like dhotis/ sarees)/ serving of food etc. The use of Marriage Halls/ Community Halls and similar places during election period should be kept under watch by the District electoral machinery with reference to the purpose of booking for which some evidence (like marriage invitation) must be obtained so that there is no camouflage of expenses for election purposes. The DEOs shall collect daily reports of such bookings and see that no fake party is being organized for influencing the voters. Report of any suspicious booking/event should be handed over to the Assistant/Dy. Director of Income Tax, in charge of the district, who will examine the expenses from Income tax angle. Large scale feeding under the cloak of *Annadanam* outside places of worship will give room for suspicion that serving of food is being resorted to influence the voters on the eve of the election, which is a corrupt practice and an electoral offence with reference to Section 132 of the Jammu & Kashmir Representation of the People Act, 1957 and the provisions of RPC. The CEOs/ DEOs should ensure that in case of any suspicion about feeding on a large scale, necessary steps should be taken to prevent it.

- 5.10.3.** A doubt has been raised with regard to participation of candidates in the community kitchens (langar, bhoj, etc.) organised by religious communities in their religious institutions as a matter of customary practice and the bhoj/feast, etc. offered as a matter of social practice following a ritual ceremony, like, marriage, death, etc. As per the Commission's instruction No. 76/Instruction/2011/EEM dated 05.12.2011 (**Annexure 60**) expenditure on the community functions shall be treated as the election expenses of a candidate and added to account of the candidate, if any contesting candidate(s) attends the community kitchen (in whatever name has been called) either organised by him or by any other person **to entertain the electors.** However, this instruction does not apply to community kitchens/langars, etc. organised by religious communities within their religious institutions as a customary

practice or the bhoj/feast, etc. offered by any person (other than the candidate) in the normal course to celebrate any ceremony like, marriage, death, etc., and the expenses incurred on such community kitchen/ langar / bhoj/feast, etc. shall not be included in the election expenses of the candidate, provided that the candidate participates there in the normal course as a normal visitor. It shall further be ensured that the candidate does not make any financial contribution for arranging such community kitchen, etc. and no political campaign in any manner is undertaken at such community kitchen, etc. The restrictions on the community kitchens, etc., as mentioned above, shall be over after the completion of poll/ repoll in the constituency. (Commission's Instruction letter No. 76/Instruction/2011/EEM, dated 5th December, 2011 **Annexure 60**)

5.10.4. Checking Distribution of Tokens to be exchanged for gifts or cash or distribution of money through various means:

Another form of corrupt practice in respect of which there have been complaints in the past relates to distribution of tokens by parties/candidates to the voters. It is also reported that token distribution is done at the time of Aarti offering or in meetings/functions and pawn brokers are used as channels for bribing the voters. In order to ensure that there is no scope for misuse, token distribution through any method including in meetings/ functions held for election campaigning or social gatherings should be checked by collecting proper evidences and lodging police complaints. The DEO should arrange meeting with citizen forum, volunteers, Nehru Yuva Kendras and other NGOs to get appropriate information in right time about such activities. The DEO shall also collect the list of pawn brokers and keep them under close watch including involving the Assistant Director / Deputy Director Income tax in charge of the district for necessary action under Income Tax Act.

5.10.5. Checking distribution of cash by candidates/political parties along with disbursement of wages under any Government scheme:

Representations were received in the Election Commission alleging that money was being given on the eve of the elections by political parties/ candidates to workers over and above the wages due under the Govt. Schemes like Rural Employment Scheme, and various other schemes of Government to influence the voters. It is to be noted that while poor people are not put to hardship due to the Model Code of Conduct, the disbursement of any cash by political parties / candidates in addition to wages to which the workers are entitled under the Scheme, is not permissible. This is

a corrupt practice and an electoral offence. The District Election Officers should monitor the disbursement of wages and other benefits under Government schemes so as to ensure that there is no payment of cash or gift article by any candidate/ political party along with the wages under the Scheme. It is also noticed that the cash benefits (both arrears and advance amount) under the Government schemes are disbursed on the eve of elections, to bring influence on the electors. It will be the responsibility of DEOs to ensure that no such arrear or advance is disbursed within 72 hours of the day of poll.

5.10.6. Monitoring of Production, Storage and Distribution of liquor during elections:

In order to curb the liquor menace, the following actions shall be initiated from the date of the notification of elections till the date of poll:-

- (ii) Intensive vigil over inter state movement of vehicles at RTO Check Posts and border check posts by Excise staff should be kept by special enforcement staff under the State Excise Department who are deputed round the clock from the date of notification till the completion of Poll/ Repoll. All distilleries and warehouses in the State shall be put under 24X 7 CCTV monitoring with police guard, to ensure that no liquor is released without proper license. Stern action should be taken against any illicit storage or transportation of illicit liquor in the State. Inter State co-ordination among Excise Commissioners with bordering States should be done for monitoring of inter state movement of IMFL, Beer and Country Liquor.
- (iii) District Level Nodal Officers and State Level Nodal Officer of Excise Department should be identified to monitor the above aspects, conduct raids to seize illicit liquor.
- (iv) The District Level Nodal Officer will submit report on alternate day as per the proforma given in **Annexure- 22** of this Compendium for IMFL, Beer and Country Liquor in separate forms to State Level Nodal Officer with copy to the DEO and Expenditure Observers. State Level Nodal Officer of Excise Department will, in turn, submit the alternate day Report on excise activity of the entire State to the CEO in the same proforma with copy to the Commission.

- (v) The Commission's Instruction No. 76/Instructions/EEPS/2013/Vol.VIII, dated 14th November, 2013 addressed to DEOs, SPs and all Observers for prevention of Storage and illegal distribution of liquor during elections and furnishing the daily report by the DEOs on it, may also be brought to the notice of all concerned (**Annexure 22 A**). The DEO and District Excise Officer are required to submit daily report in the prescribed format to the CEO and Nodal Officer, Excise Department

5.10.7. Monitoring of cash withdrawal from Banks:

The DEO shall ask all the banks to submit daily report on suspicious withdrawal of cash from bank account of any individual person during election process. - (i) Unusual and suspicious cash withdrawal or deposit of cash in a bank account exceeding Rs. 10 lakh during the process of election, without any such instance of deposit or withdrawal during the last two months.
- (ii) Unusual transfer of amount by RTGS from one bank account to the accounts of several persons in a district/constituency during the election process without any precedent of such transfer.

- (iv) Any withdrawal of cash and deposit of cash exceeding Rs. 1 lakh in the account of the political party during the election process.
- (v) Any other suspicious cash transactions, which might be used for bribing the electors.

The DEO shall ensure that the reports are received regularly from banks and the same are handed over to Expenditure Observer for analysis and investigation, if any may be conducted through the FS or through the Investigation Directorate of income Tax to see that the money is not used in election process.

In case any suspicious nature of withdrawal of large amount of cash is noticed, necessary action may be taken and the information about large amount exceeding Rs.10 lakh shall be passed on by the DEO to the Nodal Officer Income Tax Dept.{at O/o The DGIT(Inv.)} or Assistant/Dy. Director of Income Tax in charge of the

district for necessary action under Income Tax laws.

5.10.8 Standard Operating Procedure for transportation of cash by ATM Vans and others

In pursuance of SOP prescribed by the Ministry of Finance (Department of Financial Services), copy enclosed as per **Annexure-66**. It is reiterated that the Banks should follow the following procedure for transportation of Cash scrupulously :-

- (iv) The aforesaid procedure shall be part of the standard operating rules and procedure of banks for transport of cash. (**Annexure-66**)

5.11 With regards to information of suspicious or illegal cash, foreign currency and Fake Indian Currency Notes (FICN) etc. found during elections a reference may be made to the relevant enforcement agencies in the district.

10. Expenditure by Political Parties and other persons:

- 10.1** Section 85(1) of the Jammu & Kashmir Representation of the People Act, 1957, provides that every candidate contesting election shall keep a correct account of all election expenditure incurred or authorized by the candidate or his election agent. The expenditure incurred on travel by leaders of a political party whose names have been communicated to the Commission and Chief Electoral Officer within 7 days from the date of issue of notification of election as required under Explanation-2 to Section 85(1) is not deemed to be expenditure incurred or authorized by a candidate of that political party for the purpose of the said section. If such intimation is not received from the party within the stipulated time, the expenditure on travel of such leaders shall be added to the candidate's expenditure.
- 10.2.** The Supreme Court, in its judgment in *Kanwar Lal Gupta Vs. Amar Nath Chawla* (A.I.R. 1975 SC 308), dated 10-04-1974 has held that the expenditure incurred by the political party which can be identified with the election of a given candidate, as distinguished from the expenditure on general party propaganda, would be liable to be added to the expenditure of that candidate as being impliedly authorized by the candidate. The expenditure incurred by a political party on advertisements, in connection with any election could be categorized into the following:
- (i) Expenditure on general party propaganda seeking support for the party and its candidates in general, but, without any reference to any particular candidate or any particular class/group of candidates.
 - (ii) Expenditure incurred by the party, in advertisements etc., directly seeking support and / or vote for any particular candidate or group of candidates.
 - (iii) Expenditure incurred by the party, which can be related to the expenditure for promoting the prospects of any particular candidate or group of candidates.
- 10.3.** Applying the ratio of the judgment in Kanwarlal Gupta's case, it is clarified that in the case of any advertisement by political parties, whether in print or electronic or any other media, falling in category (i) above, which is not relatable to the election of any particular candidate or a given group of candidates, the expenditure may be treated as expenditure of the political party on general party propaganda. In the cases of expenditure falling in categories (ii) and (iii) above which is relatable to a particular candidate or group of candidates, the expenditure shall be treated as expenditure authorized by the candidate concerned and such expenditure shall be accounted for in the election expenditure of the said candidate

or group of candidates.

- 10.4.** The travel expenses of a leader of a political party covered under Explanation-2 to Section 85(1), will still be accounted for in the election expenditure of the candidate where such leader happens to be himself a candidate. When he goes out of his constituency to other constituencies or comes back to his own constituency from other constituencies as a star campaigner, the expenditure on his travel from his constituency to other constituencies and back would fall within the exempted category. Once he reaches his constituency and travels within his own constituency, expenditure on such travel would be liable to be accounted for by him in his election expenditure.
- 10.5.** The lump sum amount given either in cash or in kind by the political party shall be reported by the party as well as the candidate in his day to day accounts and the abstract statement of election expenses, required to be filed within 30 days of declaration of result. .
- 10.6.** The expenditure in kind, like party posters or banners or advertisements, without the name or photograph of the candidate is to be shown as party expenditure by the political party. Even the party expenditure during the period after announcement of election by ECI and before notification of election, has to be shown by the political party as its election expenditure. The political party shall forward its election expenditure in prescribed format along with scanned soft copy to the Election Commission within 75 days of Assembly poll or 90 days of Lok Sabha poll.
- 10.7** The expenses after the poll and before the date of counting, which can be said to be in connection with the election shall alone be accounted for by the candidates as per section 85 of the Jammu & Kashmir Representation of the People Act, 1957. After the poll, the expenses on travel of a Star Campaigner or a candidate (not connected with his election) shall not be added to the expenses of any candidate. 4. Whereas the Hon'ble Supreme court by its interim order dated 2-4-2004 in SLP (Civil) No.6679 2004 (Ministry of Information & Broadcasting VsMs Gemini TV and Others), in substitution of the order under challenge, had directed as below. ñ

5. Whereas. The Hon'ble Supreme Court of India by its further order dated 13th April, 2004. in SLP (Civil) No.6679/2004. has directed as follows:

"ò Before we pass the order, it will be worthwhile to notice certain provisions of the Cable Television Networks (Regulation) Act, 1995 (for short, "the Act"], as amended from time to time, and the Rules framed there under.

The object of the Act is to regulate the operation of the cable television network in the country. Section 6 of the Act provides that no person shall transmit or re-transmit through a cable service any advertisement unless such advertisement is in conformity with the prescribed advertisement code. Section 11 of the Act provides that if any authorized officer has reason to believe that the provisions of the Act have been or are being contravened by any cable operator; he may seize the equipment being used by such cable operator for operating the cable television network. Section 12 of the Act provides for confiscation of the equipment in the event of any violation of the provisions of the Act. Similarly, Section 13 of the Act also provides for seizure or confiscation of the equipment and punishment. Section 16 further provides for punishment for contravention of the provisions of the Act. Section 19 lays down that an authorized officer, if he thinks necessary or expedient so to do in the public interest, may, by order, prohibit any cable operator from transmitting or re-transmitting any advertisement which is not in conformity with the prescribed programme code and advertisement code and it is likely to promote enmity on grounds of religion, race, language, caste or community or any other grounds whatsoever, disharmony or feelings of enmity, hatred or ill-will between different religion, racial, linguistic or regional groups or castes or communities or which is likely to disturb public tranquility. Section 22 of the Act empowers the Central Government to frame Rules to carry out the provisions of Act. The Central Government in exercise of the powers conferred on it by Section 22 of the Act is empowered to make Rules which are known as The Cable Television Networks Rules, 1994 [for short, "the Rules"]. Rule 7 of the Rules provides that where an advertisement is carried in the cable service it shall be so designed as to conform to the laws of the country and should not offend morality, decency and religious susceptibilities of the subscribers. Sub-rule (2), inter-alia, provides that no advertisement shall be permitted which derides any race, caste, colour, creed and nationality, is against any provision of the Constitution of India and tends to incite people to crime, cause disorder or violence or breach of law or glorifies violence or obscenity in any way. Sub-rule (3) further provides that no advertisement shall be permitted the objects whereof are wholly or mainly of religious or political nature, advertisements must not be directed towards any religious or political end. It is in this background, we now propose to pass the following order:

Every registered National and State, political party and every contesting candidate proposing to issue advertisement on television channel and/or cable network will have to apply to the Election Commission/Designated Officer (as designated by

the Election Commission) not later than three days prior to the date of the proposed commencement of the telecast of such advertisement. In case of any other person or unregistered political parties, they will have to apply not later than seven days prior to the date of the telecast. Such application shall be accompanied by two copies of the proposed advertisement in electronic form along with a duly attested transcript thereof. In case of first phase of elections, the application shall be disposed of within two days of its receipt and until decision thereon is taken, our order dated 2nd April, 2004, shall apply. In case of subsequent phase of election, the application shall be disposed of within three days of its receipt and until the decision thereon is taken, our order dated 2nd April, 2004, shall apply. While disposing of such applications, it will be open to the Election Commission/Designated Officer to direct deletion/modification of any part of the advertisement.

The application for certification shall contain following details:

- (a) The cost of production of the advertisement;
- (b) The approximate cost of proposed telecast of such advertisement on a television channel or cable network with the break-up of number of insertions and rate proposed to be charged for each such insertion;
- (c) It shall also contain a statement whether the advertisement inserted is for the benefit of the prospects of the election of a candidate(s)/parties;
- (d) If the advertisement is issued by any person other than a political party or a candidate, that person shall state on oath that it is not for the benefit of the political party or a candidate and that the said advertisement has not been sponsored or commissioned or paid for by any political party or a candidate; and
- (e) A statement that all the payments shall be made by way of cheque or demand draft.

We find that Section 2(a) of the Act defines "authorized officer", within his local limits of jurisdiction, as (a) District Magistrate; (b) Sub-divisional Magistrate; or (c) or Commissioner of Police. Similarly, Section 28 A of the Representation of People Act, 1951 provides that the Returning Officer, Assistant Returning Officer, Presiding Officer, Polling Officer and any other officer appointed under this part and any police officer designated for the time being by the State Government, for the conduct of any election shall be deemed to be on deputation to the Election Commission for the period commencing on and from the date of the notification calling for such election and ending with the date of declaration

of results of such election and, accordingly, such officer shall during that period, be subject to the control, superintendence and discipline of the Election Commission.

Since it is not physically possible for the Election Commission to have a pre-censorship of all the advertisements on various cable networks and television channels, it has become necessary to authorize the Election Commission to delegate its powers in this behalf to the respective District Magistrates of all the States or Union Territories, not below the rank of a Sub-divisional Magistrate or a member of the State Provincial Civil Service. This may be done by a general order issued by the Election Commission. These officers shall act under the control, superintendence and discipline of the Election Commission. The Election Commission in its turn may delegate its powers to the Chief Electoral Officer of each State or the Union Territories, as the case may be.

The Chief Electoral Officer of each State or Union Territory may appoint a committee for entertaining complaints or grievances of any political party or candidate or any other person in regard to the decision to grant or to refuse certification of an advertisement. The committee so appointed shall communicate its decision to the Election Commission.

The committee so constituted will function under the overall superintendence, direction and control of the Election Commission of India.

The decision given by the committee shall be binding and complied with by the political parties, candidates, or any other person applying for advertisements in electronic media subject to what has been state above.

The comments and observations for deletion or modification, as the case may be, made, shall be binding and complied with by the concerned political party or contesting candidate or any other person within twenty four hours from the receipt of such communication and the advertisement so modified will be re-submitted for review and certification.

We may clarify that provisions of Section 126 of the Representation of People Act. 1951, shall apply to the advertisement covered by this order.

If any political party, candidate or any other person is aggrieved by the decision taken either by the committee or by the Designated Officer/Election Commission it will be open for them to approach only this court for clarification or appropriate orders and no other court, tribunal or authority shall entertain any petition in regard to the complaint against such advertisement. This order shall

come into force with effect from 16th April, 2004 and shall continue to be in force till 10th May, 2004.

This order is being issued in exercise of the powers under Article 142 of the Constitution of India and it shall bind all the political parties, candidates, persons, group of persons or Trusts who propose to insert the advertisement in the electronic media, including cable network and/or television channels as well as cable operators.

It will be open to the Election Commission to requisition such staff as may be necessary for monitoring the telecast *of such advertisements*. Where the Election Commission is satisfied that there is a violation of this order or any provisions of the Act, it will issue an order to the violator to forthwith stop such violations and it will also be open to direct seizure of the equipments. Every order shall be promptly complied with by the person(s) on whom such order is served.

The funds to meet the cost of monitoring the advertisements should be made available to the Election Commission by the Union of India. Adequate publicity of this order shall be given by the Union of India on the electronic media and through print media.

This order is in continuation of the order passed by this Court on 2nd April, 2004 and shall remain in operation as an interim measure till 10th May, 2004.

Subject to the aforesaid order, the judgment of the High Court of Andhra Pradesh dated 23rd March 2004 shall remain stayed. This order is passed not in derogation of but in addition to the powers of the Central Government in regard to the breach of the provisions of the Act."

6. Now therefore, in pursuance of the aforesaid directions of the Hon'ble Supreme Court, the Election Commission, hereby directs as follows: -
 - (i) The Chief Electoral Officer Delhi is hereby directed to constitute a Committee comprising the following persons to deal with the applications by the political parties and organizations mentioned in para (ii) herein below.-

No.3/9/(ES008)/94-J.S. II

Dated: 2nd Sept., 1994

ORDER

Subject: Restrictions on the printing on pamphlets posters etc.

The printing and publication of election pamphlets, posters, etc., is governed by the provisions of Section 127A of the Representation of the People Act, 1951. The said Section 127A provides as follows:-

“127A. RESTRICTIONS ON THE PRINTING OF PAMPHLETS, POSTERS ETC.

- (1) No person shall print or publish, or cause to be printed or published, any election pamphlet or poster which does not bear on its face the names and addresses of the printer and the publisher thereof.

- (2) No person shall print or cause to be printed any election pamphlet or poster:-

Unless a declaration as to the identity of the publisher thereof, signed by him and attested by two persons to whom he is personally known, is delivered by him to the printer in duplicate; and

Unless, within a reasonable time after printing of the document, one copy of the declaration is sent by the printer, together with one copy of the document.

- (a) Where it is printed in the capital of the State, to the Chief Electoral Officer;
and
(b) in any other case, to the district magistrate of the district in which it is printed.

- (3) For the purposes of this section:-

- (a) Any process for multiplying copies of a document, other than copying it by hand, shall be deemed to be printing and the expression “printer” shall be construed accordingly, and
(b) “election pamphlet or poster” means any printed pamphlet, and bill or other document distributed for the purpose of promoting or prejudicing the election of a candidate or group of candidates or any placard or poster having reference to an election, but does not include any handbill, placard or poster merely announcing the date, time, place and other particular of an election meeting or routine instructions to election agents or workers.

4. Any person who contravenes any of the provisions of sub-section (1) or sub-section (2) shall be punishable with imprisonment for a term which may extend to six months, or with fine which may extend to two thousand rupees, or with both.*

a. The above restrictions on the printing of election pamphlets, posters, etc., have been imposed under the law with a view to establishing the identity of publishers and printers of such documents, so that if any such document contains any matter or material which is illegal, offending or objectionable like appeal on ground of religion, race, caste, community or language or character assassination of an opponent, etc., necessary punitive or preventive action may be taken against the persons concerned. These restrictions also sub serve the purpose of placing a check on the incurring of unauthorized election expenditure by political parties, candidates and their supporters on the printing and publication of election pamphlets, posters, etc.

b. The Commission has noticed that the above provisions of law relating to printing and publication of election pamphlets, posters, etc. are being followed more in their breach than in their observance. At the time of elections, a large number of such documents are printed, published, circulated and pasted on the walls of private and Government buildings in respect of which the above mentioned requirements of law have not been complied with. The printing presses rarely send the printed documents to the Chief Electoral Officers or, as the case may be, the District Magistrates concerned along with the declaration obtained from the publisher as required under Section 127 A(2). Many a time, the election pamphlets, posters, etc. do not bear on the face the names and addresses of the printer and/or publisher thereof in violation of Section 127A (1).

c. It is further complained to the Commission that no timely action is taken against the offenders with the result that offending material is freely published and circulated with impunity. In this connection, attention is drawn to the following observations made by the Supreme Court in *Rahim Khan Vs. Khurshed Ahmed and others* (*AIR 1975 SC290):

óEven at this stage we may notice that the handbill in question does not contain the name of the printer and publisher although the election law so requires. Unfortunately, when such printed material is circulated, there is no agency of the law which takes prompt action after due investigation, with the result that no printer or candidate or propagandist during elections bothers about the law and

he is able successfully to spread scandal without a trace of source, knowing that nothing will happen until long after the election, when in a burden some litigation this question is raised. Timely enforcement is as important as rule of law as the making of legislation.

5. In order that in future there is strict observance of, and compliance with, the requirements of the above mentioned provisions of law on the subject, the Commission, in exercise of its powers under Article 324 of the Constitution and all other powers enabling it in this behalf, and in suppression of all its previous instructions on the subject, hereby directs as follows:-
 5. (1) As soon as any election from a Parliamentary, Assembly or Council Constituency is announced by the Election Commission, the District Magistrates shall, within three days of such announcement of election, write to all printing presses in their districts.
 - (a) Pointing out to them the requirements of above mentioned Section 127A and specifically instructing them to indicate clearly in the print line the names and addresses of printer and publisher of any election pamphlets or posters such other material printed by them:
 - (b) Asking the printing presses to send the copies of the printed material (along with three extra copies of each such printed material) and the declaration obtained from the publisher as required under Section 127A (2) within three days of its printing:
 - (c) Impressing on them in clear terms that any violation of the provisions of Section 127A and the above directions of the Commission would be very seriously viewed and stern action, which may in appropriate cases include even the revocation of the license of the printing press under the relevant laws of the State, would be taken.
 5. (2) The Chief Electoral Officers shall do likewise in respect of the printing presses located at the State capitals.
 5. Election Commission's order No. 76/95/J.S.II dated 10.04.1995

ORDER

Subject: Language in which the accounts of election expenses may be filed by the contesting candidates.

1. The question of language in which a contesting candidate can file the return of account of election expenses under section 78 of the Representation of the People Act, 1951 has been examined by the Commission.
2. All statutory documents and forms under the election law are printed and made available in the local approved languages. Candidates and others are permitted to file miscellaneous petitions and representations in local languages. These documents are not rejected on grounds of their not being in English or Hindi.
3. It would be unjust to reject an election expenses return lodged by a candidate on the ground of its not being in English or Hindi in view of the fact that the candidates who are not well versed in these languages will feel deprived. If mistakes are found in returns of election expenses the same may be ascribed to lack of knowledge of English or Hindi.
4. Apart from the mandatory provision that all statutory documents and forms shall be prepared in local approved languages, the Commission also directs the Chief Electoral Officers in its various important orders and directions to get them translated into local languages if those orders or directions are meant for wide publicity and circulation among the political parties, candidates and public in the State.
5. Thus, in fairness to the contesting candidates at elections to the House of the People and the State Legislative Assemblies from different States and Union Territories, they will be permitted to file returns of election expenses in English, Hindi or the local language(s) in which the electoral rolls are printed. It shall be responsibility of the Chief Electoral Officers, District Election Officers and Returning Officers to ensure that all the contesting candidates get the forms/registers/extracts of rules relating to lodging of returns of accounts of election expenses in the approved regional language for electoral rolls so that no candidate may complain that he is not aware of the statutory requirements relating to filing the returns of election expenses and he is able to maintain his account from day to day properly and accordingly.

Subject: Prevention of Storage and Illegal Distribution of Liquor during elections-
Instructions to DEOs for Daily Report of liquor Sale- matter reg.

Sir,

I am directed to draw your attention to the instructions of the Election Commission of India regarding Production, Storage and Distribution of Liquor during Election (ECI Compendium of Instructions on Election Expenditure Monitoring, July 2013 section 5.10.6, page 28). I am further directed to inform that preventing illegal liquor distribution during the election is one of the very important responsibilities of the Collector & District Election Officer and the Superintendent of Police. Observers of the Election Commission are also expected to monitor such activities.

2. In this regard detailed instructions have been issued from time to time and list of IMFL shops are be made available to the DEOs where there had been suspicious increase in sale of IMFL. The DEOs are also aware that all the excise units of the districts, namely- Distilleries, Bottling Units, Liquor Warehouses have been brought under continuous surveillance of the officials concerned. In important units, officers and armed forces are to be posted round-the-clock. Moreover, almost in all districts, available officials are to be given the special responsibility of monitoring liquor flow during the elections. Some of the officials will have to be deployed on the border check post to prevent cross-border liquor movement during the elections.

3. Though, these steps have resulted in significant tightening of excise machinery in the State, yet the situation needs further improvement at district level. The retail outlets of liquor

are turning out to be highly vulnerable from liquor distribution point of view. All District Collectors and Superintendent of Police need to work on this in a more focused and systematic way.

4. The Commission has been receiving following complaints:

A. Storage of cheaper brands of IMFL and country liquor in local slums, shanty towns and remote rural pockets for distribution prior to election. This storage is happening with help from the retail shops which are selling liquor in bulk to individuals, in contravention of State Excise Act and General and Special License Conditions.

B. Stock registers are not being maintained in some of the shops. It has been reported that some shops, even though maintain the stock register, they do not maintain brand-wise stock register. This creates serious problems in monitoring the daily sales and makes physical stock verification of the shops almost impossible.

C. Coupons are being issued by the candidates, which are convertible into liquor bottles at the shops. This is violation of conditions of State Excise Act/Rules, which prohibits sales in any form other than cash.

5. In view of the above, I am directed to request for compliance the following instructions:-

I Daily Monitoring of liquor sales:-

Each district has, on an average 25 liquor retail shops. The district Collectors must ensure to get daily report of the shops where there has been significant increase in the sales. A good way of doing that will be to take the average daily sale of October 2013 for each of your liquor retail shop and compare daily sales figure with the October average. Wherever the sales figure exceed by 30% or more, it points to a possibility of bulk sale. These need to be investigated and severe action must be taken against the shop which may include even cancellation of the license.

For this a prescribed form for reporting is enclosed in Annexure-1. The District Collector is expected to get this report from the District Excise Officer/Assistant Commissioner and after taking suitable action send the report to the Election Commission (CEO) along with his remarks, in the format prescribed in **Annexure-2**.

II Ensuring maintenance of stock register:-

It has been found during surprise inspections that some of the shops are not maintaining the stock register at all, or are maintaining it without following the prescribed format. This is done with a view to hide bulk sale information and to make stock verification very cumbersome.

District Collectors with the help of the District Excise Officer/Assistant Commissioner must ensure proper maintenance of **brand-wise stock register** in all shops.

III Use of tokens or coupons for sale of liquor:-

Newspapers have been reporting that candidates are resorting to distribution of coupons/tokens, which can be exchanged for liquor bottles at the liquor shop. This as pointed out earlier is a violation of General License Conditions of State Excise Act. Collectors are expected to take action against such shops.

IV Listing and close monitoring of sensitive liquor shops:-

Classify the liquor shops in your district as sensitive based on the following criteria:-

- A. Those shops which, on 01.11.2013, have liquor stock which is 50% or more than the liquor stock on 01.11.2012. The list of such IMFL shops has already been communicated. However, you need repeat this exercise for Country Liquor shops in your district.
- B. Shops, which are located in a slum or are located in close proximity of a slum.
- C. Shops located away from main roads and located in interior rural pockets.
- D. Shops which show more than 30% increase in sales on any day in November as compared with their average daily sales of October, 2013.

These shops must be monitored and their brand-wise stock register checked on daily basis.

V Prevention of liquor storage for distribution in election:

Slum areas, shanty towns, camps (if any) in urban areas and remote or poorly accessible habitations in rural areas are potential storage points for illegal liquor. District Collectors with the Excise Officials are expected to identify such locations and conduct frequent police patrolling and raids in such locations.

6. In the light of all the above instructions, I am directed to request you to issue suitable instructions to the Collectors & District Election Officers to give a daily report in the format prescribed in Annexure-2 to the Special Secretary Excise (CEO) , State Government, who will send a compiled report for the entire state to the Commission.

7. These instructions may be brought to the notice of all DEOs, SPs, all Observers and officers of Excise Deptt.

Yours faithfully,

Sd/-

Election Commission's letter No. 437/6/1/2008-CC & BE Dated: 24th October, 2008 addressed to The Cabinet Secretary Government of India, the Chief Secretaries and the Chief Electoral Officers of all States and Union Territories.

Subject: Election Expenditure on travel by Lead Campaigners - Use of helicopter for election campaign, etc.

1. I am directed to state that according to sub-section (1) of section 77 of the Representation of the People Act, 1951 it is provided that “**Every candidate** at an election shall, either by himself or by his election agent, keep a separate and correct account of all expenditure in connection with the election incurred or authorized by him or by his election agent between the date on which he has been nominated and the date of declaration of the result thereof, both dates inclusive. Under sub-section (2) it is provided that the account shall contain such particulars as may be prescribed, and under sub-section (3), it is laid down that the total of the said expenditure shall not exceed such amount as may be prescribed.
2. Explanation (1) to section 77(1) provides that the expenditure by leaders of a political party (usually referred to by us as star campaigners) on account of their travel by air or any other means of transport for propagating programme of a political party shall not be deemed to be expenditure in connection with the election incurred or authorized by a candidate of that political party.
3. The provisions of section 77(1) and Explanation (1) there-under have to be so harmoniously read that they do not nullify the main object underlying the provisions of section 77(1). Section 77(1) clearly stipulates that a candidate has to account for all his election expense, incurred or authorized by him or by his election agent. Explanation (1) is in the nature of an exemption from account of such expenditure which is incurred by the leaders of the political party in connection with the candidate's election, so that election campaign may be carried out in his constituency by leaders of his political party and any expenditure incurred on their travel by or any other means of transport may not form part of the candidate's overall expenditure. It therefore follows that a candidate who has been declared as leader by a Political Party for the purposes of Explanation to Section 77(1), cannot be considered to be a leader of his political party **in his own constituency** within the meaning of Explanation (1) to section 77(1), whatever may be his standing in relation to other candidates of his party in the other constituencies. In his own constituency(ies), he is a candidate first. Thus, whatever expenditure he incurs on his own travel within his constituency(ies), on his travel whether by helicopter/aircraft or by any other means of transport, the same has to be accounted for within his overall limit of maximum expenditure prescribed for his constituency. When he goes out of his constituency to the other constituency as a star campaigner, the expenditure on his travel from his constituency to the other constituency would

fall within the exempted category, and so also his travel expenditure from the other constituency to his own constituency when he comes back for his own campaign would be so exempted. But once he reaches his constituency and travels within the said constituency, his expenditure on such travel within his constituency would be liable to be accounted for by him. Any other interpretation of the above mentioned provisions would defeat the very object underlying section 77(1). This would be more evidently glaring in the case of bye-elections where a political party may include the name of its candidate as a star campaigner and that would give him a license to travel within his constituency by adopting any means of communication and without accounting for the same.

ELECTION COMMISSION OF INDIA

NirvachanSadan, Ashoka Road, New Delhi 110 001.

No. 491/Media/2010

Dated: 8th June, 2010

To

Chief Electoral Officers

of all States and Union Territories

Sub: Measures to check 'Paid News' during elections i.e. advertising in the garb of news in Media

Sir/ Madam,

1. I am directed to invite your attention to the subject cited and to state that the recent phenomenon of 'Paid News' which is assuming alarming proportion as a serious electoral malpractice, has been causing concern to the Commission in the context of conduct of free and fair elections. Several political parties and media groups have also conveyed their similar concerns to the Commission. There has been dialogue of several stakeholders with the Commission at different platforms and there is near unanimity to take necessary steps to put a halt to such mal-practice which puts undue influence on the free will of the voters, encourages the role of money power in a covert manner and disturbs level playing field in elections. The practice of paid news has to be seen as an attempt to circumvent the provisions of Sections 77 and 123 (6) of R.P. Act 1951 which prescribe accounting and ceiling of election expenses and make exceeding such prescribed limits a corrupt practice in elections.
2. The Commission has directed that maximum vigilance may be observed by making use of the existing provisions of law so that the incidence of 'Paid News' or surrogate advertisements in Print and Electronic media in the context of elections is arrested. The cases of 'Paid News' generally manifest in the forms of news articles/reports published about a particular candidate or a party eulogising them, or similar news articles/reports denigrating the opponents, both intended at unduly influencing the voters. The same or similar type of news articles/reportings (with cosmetic modifications) appearing in more than one newspaper periodical would amount to further corroboration as circumstantial evidence that such news publication could result from collusion of the candidate/party with the editors, publishers, financiers of the newspaper etc. Such collusion would, however, have generally no transactional evidence of payment of consideration in cash or kind.

3. Legal provisions under Sec.127A of the R.P. Act, 1951 make it mandatory for the publisher of an election advertisement, pamphlet, etc., to print the name and address of the publisher as well as printer and failure to do so attracts penalty of imprisonment up to two years and/or fine of Rs.2000/-. Section 171 H of the IPC prohibits incurring of expenditure on, inter alia, advertisement without the authority of the contesting candidate. The Commission's detailed instruction No. 3/9/2007/JS-II dated 16th October, 2007 in this behalf may be seen (copy enclosed). The said instruction covers the declared or specified release as advertisement inserted in the newspaper, etc., and disclosure of amount paid for such advertisements, but in the case of "Paid news/surrogate news, such payment is seldom disclosed as the matter is camouflaged as news though serving the purpose of advertisement only. For the purpose of Sec.127A (1) of the R.P. Act, 1951, "election pamphlet or poster" means any printed pamphlet, hand-bills or other document distributed for the purpose of promoting or prejudicing the election of a candidate or group of candidates "..." . Thus, "Paid News" would also fall in the category of "other document" liable to be included in "election pamphlet & poster" and action taken accordingly. Hence, an obvious case of news reporting in the print media dedicated/giving advantage to a particular candidate or the party while ignoring/causing prejudice to other candidates and parties would require investigation.
4. The Commission directs that for the purposes of above investigation, district level committees may be constituted by the DEOs in each district as soon as election is announced to do vigorous scrutiny of all newspapers, published or having circulation in the district in order to locate political advertisement in the garb of news coverage appearing within the election period. DEOs should closely monitor advertisements released in print media in any form including surrogate advertising in the form of news, and serve notices to candidates/political parties where called for, so that the expenses incurred thereon are duly reflected in the account of the concerned candidate/party.
5. Similarly, the District Committee should also keep a watch on the election news/features, etc. on the electronic media in the district. When there is disproportionate coverage to the speech/activities of a candidate on television/radio channels, which is likely to influence the voters and yield electoral benefit to a particular candidate, and the same coverage appears in several channels, then the candidate should be served with notices by the DEOs to explain her/his stand as to why the coverage should not be treated as advertisement, and matter should be reported to the Commission.
6. The Commission has already issued Order No. 509/75/2004/J.S.-I dated 15th April, 2004 consequent upon order of the Hon'ble Supreme Court of India in SLP (C) No. 6679/2004, (Ministry of Information and Broadcasting vs. M/s Gemini TV Pvt.Ltd and Others) providing for the constitution of a committee for previewing, scrutinizing and verifying all advertisements by individual contesting candidates or

political parties, before it is inserted in the electronic media. The aforesaid phenomenon of Paid News by- passes the scrutiny of the Committee despite being a political advertisement in spirit and also evades accounting in the expenses book of the candidates. CEOs may strengthen these Committees so as to also scrutinize the news reports in electronic media, which bear the character of political advertisement, though without being declared to be so. Notices to candidates/parties may be issued by the CEOs on the basis of recommendation of such Committees.

7. The Commission should be kept informed of all cases where notices as aforesaid are issued to parties/candidates.
8. The receipt of this letter may be acknowledged and the Commission informed of the action taken.

Yours faithfully,

Sd/-

In order to bring uniformity in dealing with such instances, the Commission has directed to issue the following guidelines: -

A copy of the notice will also be marked to Election Expenditure Observer.

Annexure-31

Election Commission's letter No. 76/2004/J.S.II, dated 10.04.2004 addressed to the Chief Electoral Officers of-All the States and Union Territories.

Subject: - Expenditure to be incurred on barricades and rostrums etc.

1. I am directed to refer to Commission's letter No. 437/6/OR/95/MCS/1158 dated 29th March, 1996 read with Commission's orders No. 437/6/ES/0025/94/MCS dated 21st October, 1994 (reproduced as item No. 133 in the Compendium of Instructions, 2004) wherein it has been laid down that expenditure incurred on security arrangements like barricading / rostrums etc. in connection with the campaigning by any political leader or candidate shall be borne by the concerned political party. The Commission has received queries to the effect -whether the expenditure on construction of rostrums / barricades will be charged to the political party or to the account of the individual candidate or a group of candidates belonging to the political party who are present on the occasion of a meeting where "leaders" of the political party participate.
2. The guiding principles to distinguish between the expenditure incurred by the political party and the expenditure incurred by the candidates were enunciated by the Supreme Court in *Kanwar Lai Gupta v Amar Nath Chawla* (AIR 1975 SC 308) wherein the Apex Court had observed: "when the political party sponsoring a candidate incurs expenditure in connection with his election as distinguished from expenditure on general party propaganda, and the candidate knowingly takes advantage of it and participates in the programme or activity and fails to disavow the expenditure or consents to it or acquiesces in it, it would be reasonable to infer, say in special circumstances, that he authorised the political party to incur such expenditure and he cannot escape the rigors of the ceiling by saying that he has not incurred the expense, but his political party has done so."
3. With the amendment to Section 77 of the Representation of People Act, 1951 only the expenses on account of travel of leaders of the political parties, covered under explanation 2 below Section 77, will be exempted from being included in the account of election expenses of the candidate. All other expenses - incurred / authorized by the political parties, other associations, body of persons / individuals - are required to be included in the account for the candidate.
4. The Commission has considered the matter carefully and keeping in view the provisions of law has directed as follows:-
 - i. The expenses on construction of barricades / rostrums etc. when done initially by the government agencies on account of security considerations on behalf of the party/organizers are to be booked as expenditure of a candidate in whose constituency the said meeting takes place or to a group of candidates who

are present at the time when the leader of a political party addresses such a meeting. In cases where there are more than one candidate of the political party present at the time of the said meeting of the "leader", the expenditure will be apportioned equally amongst all, and the District Election Officer of the district where such a meeting takes place shall obtain the final costs from the concerned government agencies within three days of the event and intimate to the candidates their respective share of expenditure. This information will also be intimated to the Returning Officer / District Election Officer of the Constituency / District to which the other candidates belong,

- ii. Where such construction of rostrums/barricades are done on account of security considerations by the candidate(s) or the political party or the organizers from their own funds, amount will be reflected in the accounts of the concerned candidate or a group of candidates present in the meeting of the "leader". These accounts will be duly verified by the Election Observer or the Designated Officer appointed for scrutiny of the accounts.
5. The Commission has further directed that in all cases where the construction of barricades/rostrums are being done by government agencies the candidate/political party/organizer will deposit the estimated cost of barricades/rostrum in advance.
6. For expenditure already incurred on such items between the date of notification issued for the first and second phases of the current general elections, the concerned DEOs shall immediately take action as per para 4 above and inform all candidates concerned.

Election Commission's direction No. 76/81, dated 18.09.1981

Subject: Lodging of accounts of election expenses

DIRECTION

Under the powers vested in the Election Commission under Article 324 and in pursuance of rule 89 of the Conduct of Elections Rules, 1971, and all other powers enabling it in that behalf and in order to ensure that the work pertaining to the accounts of election expenses of the contesting candidates at a general election or a bye-election is complete expeditiously, the Commission directs that

- (i) Each of the supporting vouchers lodged with account of election expenses shall bear the signature in full of the contesting candidate or his election agent, if any;
- (ii) When a contesting candidate lodges his account of election expenses before the District Election Officer, the District Election Officer shall issue an acknowledgement immediately. The acknowledgment shall be issued to the person concerned if account is presented in person or sent by post if received through post. The acknowledgement shall be as in the proforma for the maintenance of account of election expenses.
- (iii) The District Election Officer shall send his report to the Election Commission as contemplated in rule 89 of the Conduct of Election Rules, 1961 within ten days from the expiration of the 30 days within which the account of election expenses in respect of a constituency is required to be lodged;
- (iv) Under sub-rule (5) of rule 89 of the Conduct of Elections Rules, 1961 only one show-cause notice shall be sent by Registered A.D. Post to a candidate, who fails to lodge his account of election expenses within the time and in the manner required by law;
- (v) When a notice is issued by Registered A.D. Post, unless the communication is received undelivered within a reasonable period, say a month, it shall be presumed that the notice has been served on the candidate. On the expiry of one month after the date of issue of the notice, the case shall be disposed of.
- (vi) All correspondence with a candidate shall be sent to him at the address as furnished in the contesting candidate list. A candidate shall intimate in writing the District Election Officer concerned about the change in his address, if any for future correspondence. The District election Officer shall intimate to the Election Commission forthwith the change.

Election Commission's Letter No. 76/98/J.S. II dated 30.10.1998 addressed to CEOs of all States and UTs.

Subject: Daily accounts of election expenditure to be maintained by contesting candidates in prescribed Register - submission to the officers/Expenditure Observers for scrutiny -compliance - regarding

I am directed to state that as a measures to curb and keep a check on the tendency towards excessive expenditure in electioneering, the Commission has devised a Register containing a detailed proforma that is to be filled up and maintained on a continuous day-to-day basis by all contesting candidates on their electioneering campaigns. Vide Commission's letter No.76/98/JS-II dated 19.1.1998 it has been directed that the District Election Officer should nominate/designate officers located within the district, before whom a contesting candidate should produce periodically the Register of his day-to-day election expenses account, for the purposes of inspection and scrutiny. Reacting to the views expressed by some political parties, the Commission had further issued instructions vide the above letter that though the accounts of election expenses are to be maintained on daily basis, the same need be submitted to the designated officer for the purpose of inspection and scrutiny only once in three days.

1. It has come to the notice of the Commission that in some instances certain candidates have not cared to show the Registers of their daily election expenses to the designated officers, or even the Observers appointed by the Commission despite the same having been asked from them.
2. Obviously it raises a reasonable presumption that the accounts of expenses are not being maintained on a daily basis as required under the law, in these cases, but are being prepared after the election process is over in a manner which does not give a true account of the expenses that were indeed incurred by the candidate. The Commission, therefore, directs that where a candidate does not produce the Register containing his daily account of election expenses, before the designated officer/ Observer, despite notice, the District Election Officer shall cause a complaint to be lodged under Section 171 -I of Indian Penal Code against the errant candidates.
3. In addition to this, the fact whether a candidate has submitted the Register showing his daily account of expenditure to the designated officer/Expenditure Observer, for his scrutiny on timely basis and whether any action has been taken against any candidate for non-compliance in this respect should be explicitly

mentioned in the remarks column of the report that the District Election Officer furnishes to the Commission under Rule 89 (1) of the Conduct of Election Rules, 1961 (Annexure XLIX to Returning Officers Handbook) to the effect whether the candidates have filed their returns of expenditure on elections or not.

This may be brought to the notice of all concerned, particularly the contesting candidates so that they are well aware of the penal consequences that they may have to suffer if they do not furnish the Registers showing their election expenses to the designated officer/Observers at the appropriate time.

Election Commission's letter No. 76/2004/J.S.II, dated 12.03.2004 addressed to the Chief Electoral Officers of all States and Union Territories.

Subject:- Instructions for guidance of contesting candidates for lodging their accounts of election expenses - Inspection of accounts of election expenditure as an additional measure -regarding.

I am directed to invite your attention to the Commission's circular dated 29-10-2003, on the subject cited. The Commission had directed (in paragraph 5) that the day to day accounts maintained by the contesting candidates in the prescribed register together with the supporting documents shall be made available by them for inspection to the District Election Officer/Returning Officer/Election Observer or officer specifically designated for the purpose, once in every three days during the process of election.

At the meeting with the representatives of the recognized political parties, many of the parties requested for review of these instructions as visiting the office of the Returning Officer on every third day was inconvenient to the candidate in many cases. The Commission has considered this matter and has reviewed its directions in this regard and has now directed that the scrutiny of the accounts need be done only on three occasions during the entire election period. Accordingly, the candidate shall make available the documents pertaining to their accounts of expenditure for inspection to the District Election Officer/Returning Officer/Election Observer at least thrice during the process of election. However, it shall be ensured that there is a gap of about 4 (four) days in between each inspection and the first inspection may be on or after the third day from the last date for withdrawal of candidatures.

The Commission's directions contained in its letter dated 29th October, 2003 stand modified only in respect of the inspection schedule mentioned above. All other instructions contained therein remain applicable and in force. These, along with the present modified inspection schedule shall be conveyed to all the contesting candidates and the Election Observers appointed by the Commission in connection with General Elections to Lok Sabha, 2004.

SUBJECT: - Accounts of Election Expenses- Clarification regarding.

I am directed to invite your attention to the provisions regarding maintenance of account of election expenses by contesting candidates. It has been brought to the notice of the Commission that in certain cases, prospective candidates get campaign materials prepared in advance, before the filing of nomination. Questions have been raised regarding accounting for the expenses of this nature. Some candidates have, in the past, left out the expenditure on such items from the account of their election expenses on the pretext that only the expenditure incurred from the date of filing nomination is to be accounted for.

It is clarified that the candidates, while maintaining their register of accounts of election expenditure, should also account for all expenditure including those incurred prior to the date of nomination for preparation of campaign materials etc. which are actually used during the post nomination period/in connection with the election.

The above directions may be brought to the notice of all District Election Officers and Returning Officers for information and necessary action in future election.

Election Commission letter No. 76/2007/JS-II Dated: 29th March, 2007 addressed to the Chief Electoral Officers of all States and Union Territories

**Subject:- Section 77 of the Representation of the People Act, 1951-Election
Expenditure of candidates- regarding.**

1. Section 77(1) of the Representation of the People Act, 1951, provides that every candidate at an election shall keep it the correct account of all expenditure incurred or authorized by the candidate/his election agents in connection with the election of the candidate. The expenditure incurred on travel by leaders of a political party whose names have been communicated to the Commission and the Chief Electoral Officer as required under Explanation ñ2 to Section 77(1) is not deemed to be expenditure incurred or authorized by a candidate of that political party for the purposes of the said Section.
2. Some CEOs and Observers have sought clarifications about the effect of expenditure incurred by political parties on advertisements on the election expenditure accounts of the candidates.
3. In this context, attention is invited to the Commission's letter No. 76/2004/J.S.II, dated 10th April, 2004 (copy enclosed) on the issue of expenditure incurred by political parties in connection with election rallies, etc.
4. In the judgment of the Hon'ble Supreme Court, in Kanwar Lal Gupta vs. Amar Nath Chawla (A.I.R. 1975 SC 308), referred to in the abovementioned letter dated 10.4.04, the Hon'ble Supreme Court has held that the expenditure incurred by the political party, as distinguished from expenditure on general party propaganda, which can be identified with the election of a given candidate would be liable to be added to the expenditure of that candidate as being impliedly authorized by the candidate. The Apex Court has further held in that matter that a party candidate does not stand apart from his political party and if the political party does not want the candidate to incur the disqualification, it must exercise control over the expenditure which may be incurred by it directly to promote the poll prospects of the candidate.
5. The expenditure incurred by a political party on advertisements, in connection with any election could be categorized into the following:
 - (i) Expenditure on general party propaganda seeking support for the party and its candidates in general, but, without any reference to any particular candidate or any particular class/group of candidates:
 - (ii) Expenditure incurred by the party, in advertisements etc. directly seeking support and/or vote for any particular candidate or group of candidates;

- (iii) Expenditure incurred by the party which can be related to the expenditure for promoting the prospects of any particular candidate or group of candidates.
6. Applying the ratio of the judgment in Kanwar Lal Gupta's case, it is clarified that in the case of any advertisement by political parties, whether in print or electronic or any other media, falling in category (i) above, which is not relatable to the election of any particular candidate or a given group of candidates, the expenditure may be treated as expenditure of the political party on general party propaganda. In the cases of expenditure falling in categories (ii) and (iii) above, i.e. cases where the expenditure is relatable to the election of a particular candidate or a group of candidates, the expenditure shall be treated as expenditure authorized by the candidates concerned and such expenditure shall be accounted for in the election expenses accounts of the candidates concerned. In those cases where the expenditure is incurred by the party for the benefit of a given group of candidates, the expenditure is to be apportioned equally among the candidates.
7. The contents of this letter may be brought to the notice of all District Election Officers, Returning Officers, Election Observers, and other election authorities. This may also be brought to the notice of all the political parties in the State, including the State units of the recognized political parties.

Please acknowledge receipt of this letter.

Election Commission letter No.76/2007/JS-II Dated: 4th April, 2007.addressed to the Chief Electoral Officers of all States and Union Territories

Sub: Account of election expenses of candidates - Section 77(1) of the Representation of the People Act. 1951 – regarding.

Section 77(1) of the Representation of the People Act., 1951 mandates every contesting candidate at an election to maintain the correct account of expenditure incurred/authorised in connection with the election. Clause (a) of Explanation 1 to Section 77(1) provides that the expenditure on travel incurred by leaders of a political party for propagating programme of that party shall not be treated as expenditure in connection with the election incurred/authorised by a candidate of that political party for the purposes of the said Section. Explanation 2 to Section 77(1) provides that the list of leaders of a political party (40 in the case of recognized parties and 20 in the case of registered unrecognized parties) is to be submitted within 7 days from the issue of notification to the Commission and to the Chief Electoral Officer of the State concerned for availing of the benefit of Clause (a) of Explanation 1.

1. Clarifications have been sought regarding accounting of travel expenses of a leader of a political party covered under Explanation 2 to Section 77(1) when such leader happens to be a candidate himself. It is only logical to conclude that the visit of a contesting candidate to the constituency from where he is contesting election is for the purpose of promoting his own election prospect. When a candidate travels in his constituency for election campaigning, the expenses incurred in connection with the journey has to be treated as part of his election expenses. Therefore, it is clarified that, in such situations, the expenses incurred on account of the journey(s) performed by such leader within the constituency from where he/she is contesting election cannot be exempted from the election expenditure account of that person.
2. It has been observed that in some cases political parties, while communicating the names of leaders of that party under Explanation 2 to Section 77(1), have included the names of persons who are leaders of other political parties or who are not members of that political party. It is made clear that as per the provisions of the law referred to above, a political party can nominate only those persons who are members of that party as its leaders for the purposes of Explanations 1&2 to Section 77(1). In other words, a person who is not a member of the party cannot be nominated as leader of the party for the purposes of Section 77(1).
3. It has also been seen in the past that after submitting the list of leaders with the Commission, the political parties approach the Commission for substituting the names therein. In this context, it is pointed out that as per the proviso to Explanation 2, substituting a name from the list is permitted under the law only

where any of the persons mentioned in the list dies or ceases to be a member of the political party concerned and not otherwise.

4. These instructions/clarifications may be brought to the notice of all the District Election Officers/Returning Officers and all election authorities. This may also be brought to the notice of all political parties based in the State including the State Units of recognized national and State parties.

Please acknowledge receipt.

Copy to all recognized political parties for information and compliance.

Attention is drawn to Commission's Order No. 437/6/ES0025/94/MCS dated 21.10.94 (copy enclosed) wherein it has been clarified that the State Governments/Union Territories should strictly adhere to the Order of the Supreme Court given by its Order dated 29.4.94 in the writ petition (Civil) No.312 of 1994. In the Commission's Order, it has further been directed that such individuals who visit State/ Constituency for electioneering and election arrangements like barricading/rostrums etc. shall be borne by the concerned political party.

Annexure

Letter No. 437/6/ES0025/94/MCS Dated 21 st October 1994 addressed to Chief Secretaries and CEOs of all States and UTs.

ORDER

1. The Commission vide its letter No. 437/6/93-PS-II dated 31 st December, 1993 had reiterated the total and absolute ban on the use of official vehicles for campaigning, electioneering or election related travel during elections and had directed that there will be total ban on the use of any vehicles for any purpose connected with the election by any political party, the candidate or any other person connected with election.
2. The Commission vide its letter No. 437/6/94 dated 2nd February, 1994 had invited attention to the circular letter No. 10/17/89-M&G dated 1st November, 1989 from the Ministry of Home Affairs on the tour of ministers in connection with the election campaign and had observed that those instructions were flouted with impunity and had therefore issued further instructions without, in any way overriding, modifying or affecting the instructions of the Ministry of Home Affairs dated 1 st November, 1989 referred to above.
3. The Supreme Court in its order dated 29th April, 1994 in a writ petition (Civil) No. 312 of 1994(State of Tamil Nadu versus Chief Election Commissioner and others)

seeking exemption in the case of Chief Minister of Tamil Nadu had directed as follows :

"While we are conscious of the effort being made by the Election Commission to ensure cleanliness of the electoral process and for the protection and ensurement of free and fair polls, were are afraid, the Election Commission cannot, as it seeks to do here, put out of consideration the security requirements of certain political personalities who might, in view of extremist and terrorist activities and threats to their lives, require security of a high order. To confine the security to only the Prime Minister of the country, as the Election Commission has done, and to deny, as the communication dated 31st March, 1994 seeks to do, to all other may not reflect a proper perception and appreciation of the problem. At all events, the Election Commission will have to take note of the statutory provisions. However, we should make one aspect clear. Having regard to the responsibilities and obligation of the Election Commission to ensuring purity of the electoral process, it is open to the Election Commission, if it has material to doubt that the assessments of the security requirement made by the Director of the Tamil Nadu Special Security Group under the status are so manifestly and unduly excessive as to amount to promotion indirectly, of partisan electoral interests, to bring such matter to the notice of the State Government for appropriate corrective steps."

4. The Cabinet Secretariat in its letter No. 10/22/094-ES dated 3/5 May, 1994 had issued instructions that under the provisions of the Special Protection Group Act, 1988 protection is provided for proximate security of the following :-
 - (i) The Prime Minister and the members of his immediate family;
 - (ii) Any former Prime Minister or the members of his immediate family for a period of 5 years from the date on which the former Prime Minister cases to hold the office of Prime Minister
5. In the light of the above order of the Supreme Court the Commission had substituted paragraph 3 of its letter No. 437/6/93/PS-II dated 31 st December, 1993 vide para 6 of letter of even number dated 8th May, 1994 to say that "the Commission has decided that para 3 of its above referred circular letter No. 437/6/93-P-II dated 31 st December, 1993 will stand substituted by the following :-
 - 5(A) The only exceptions from the prohibitions mentioned in para 2 above will be the Prime Minister and other political personalities who might, in view of extremist and terrorist activities and threats to their lives, require security of a high order and whose security requirements are governed by any statutory provisions made by Parliament or the State Legislature in this behalf.
 - 5(B) The Commission would like to make it clear that having regard to its responsibilities and obligations to ensuring purity of the electoral process, the Commission, if it has material to doubt that the assessments of the security requirements made by the

authorities under the above referred special enactments or any other special instructions of the Government are so manifestly or unduly excessive as to amount to promotion, indirectly, of partisan electoral interests, bring such matter to the notice of the Central Government and/or, as the case may be, the State Government for appropriate corrective steps.

- 5(C) For achieving this, the Commission may call for any information from the Central Government or the State Government concerned with regard to the assessment of the security requirements made in respect of any such personality. Such information shall be furnished to the Commission by the concerned Government forthwith."
6. It was further clarified by the Commission in its letter No. 437/6/94 dated 14th May, 1994 that all State Governments and the Union Territory Administration are requested to adhere strict strictly to the orders of the Supreme Court. Further, orders relating to security of the individuals issued under statutory powers or other powers must be fully honoured.
7. The Commission has further directed that when such individuals visit State/Constituency for electioneering and election related work, the expenditure incurred on security arrangements like barricading/ rostrums etc. shall be borne by the concerned political parties.

Sir,

In continuation of the Commission's letter No.491/Media/2009, dated 8th June, 2010, on the subject cited, I forward herewith a copy of the report of the Press Council of India No. PR/2/1011 dated 30th July, 2010.

2. The following parts of the Report are for particular attention and necessary action:
 - (a) The Press Council of India has defined paid news as "any news or analysis appearing in any media (Print and Electronic) for a price in cash or kind as consideration."
 - (b) The Council has highlighted its own guidelines of 1996 at page 8 to 10 of the Report enclosed with the letter. Para 1 of the guidelines refers that "newspapers are not expected to indulge in unhealthy election campaigns, exaggerated reports about any candidate/party or incident during the elections. While reporting on actual campaign, a newspaper may not leave out any important point raised by a candidate and make an attack on his or her opponent." Similarly, para 5 specifically refers that "Press is not expected to indulge in canvassing of a particular candidate/party. If it does, it shall allow the right of reply to the other candidate party." Thus, any departure from the above guidelines should make a case for prima facie investigation of paid news.

No.464/AP- HP & AP-LA/BE/2011/EEM

Date: 3rd June 2011

To

The Chief Electoral Officer of All States and UT,

Subject: Clarification regarding lodging expenses being incurred by the campaigners of the contesting candidates.

Sir,

1. I am directed to invite reference to the provisions of Section 77 of the Representation of the People Act, 1951. As per Explanation 1(a) read with Explanation 2 under sub-section (1) of the said Section, the expenditure incurred by leaders of the political party, who are star campaigners, on account of travel for propagating programme of the party shall not be deemed to be the expenditure of the candidate in connection with the election. The expenditure related to booking of hotels and lodges rooms in the constituency by or for the Star campaigners is not exempted under Section 77 of R P Act, 1951.
2. I am further directed to inform that all expenditure including lodging/boarding expenses of star campaigners in the constituency where they campaign for any candidate shall be included in the expenditure account of that particular candidate, provided that -
 - (a) the Star Campaigners/Campaigners have actually campaigned for the candidate, and
 - (b) the Star Campaigners/Campaigners have incurred such boarding and lodging expenditure while remaining in a commercial hotel or lodge for the purpose of election campaign of the candidate irrespective of the fact whether the payment is made by such candidate or not.
3. The market value of such commercial boarding and lodging is to be calculated towards the election expenditure of the candidate, even if the boarding and lodging is provided as complimentary. It is further clarified that if the star campaigner while availing the boarding and lodging in one constituency, travels to another constituency to campaign for other candidates, then the lodging and boarding expense will be proportionately distributed as the expense of those candidates.
4. A notice may be issued immediately in all such cases and it should be processed accordingly.

Dated: 7th April, 2011

To
The Chief Electoral Officers of
Assam, Kerala, Tamil Nadu, Puducherry & West Bengal

Subject: Instruction on Election Expenditure Monitoring - Expense related to candidate - payment by cash - reg.

Sir,

With respect to instruction of even number dated 7th February, 2011 political parties have asked for further clarification. Election Commission has examined the issues and I am directed to clarify the following:

1. It is mentioned in the Commission's instructions No. 76/Instructions/2011/EEM dated 07-02-2011 that the candidates shall incur all election expenses by account payee cheques from Bank account opened for election purpose, excepting minor expenses where it is not possible to issue cheque. Some political parties have asked for clarification, specifying the limits of such cash expenditure. It is hereby clarified that if the amount payable by candidate(s) to any person/entity for any item of expenditure does not exceed Rs.20,000/- during the entire process of election, then such expenditure can be incurred by cash, by withdrawing it from the bank a/c opened for the purpose of election. All other payments are to be made by account payee cheque from the said bank account.
2. As per Section 77 of RP Act, 1951, every candidate shall keep separate and correct account of all expenditure from the date on which he has been nominated and the date of declaration of result (both dates inclusive). It is hereby clarified that all candidates, while maintaining their register of accounts of election expenditure, shall account for all expenditure incurred on the day of filing of nomination (i.e. from day) and also those incurred prior to the date of nomination like expenditure on campaign materials etc. which are used during the post nomination period. All expenses relating to the rally or procession organised while filing nomination shall be included in the accounts of the candidates.
3. When members of public attend a public rally/procession/public meeting of candidate(s) by using their own personal vehicle, without receiving any payment or reimbursement from anybody, it shall not be included in the expenditure of the candidate. However, the personal vehicles used in the rally or public meeting for campaign purpose by putting flags or banners or poster for the benefit of any candidate(s) shall be included in the expenses of the candidate(s). If the commercial vehicles bearing commercial registration number are used for rally or public meeting of any candidate(s) the expenditure on such vehicles shall be included in the account of the candidate(s).

4. One personal vehicle owned and used by the candidate(s) for campaign purpose shall be treated as campaign vehicle and notional expenditure on fuel and driver salary as per the market rate shall be included in the accounts of the candidate(s). In case other vehicles, owned by the candidate(s) are used for campaign purpose, then the notional expenses as per the notified rate for hiring of such vehicles shall be calculated by the candidate(s).
5. The use of flags, caps, mufflers with party symbol has been clarified in Question No. 72 of FAQ on Model Code of Conduct. The expense on such items of flags, mufflers or caps with party symbol shall be accounted for by the party concerned as its election expense. If they bear the name(s) or photo(s) of candidate(s), it shall be added to the accounts of the candidate. However, supply and distribution of main apparels like saree, shirt, T-shirt, dhoti etc. by party/candidate is not permitted as it is bribery of voters.
6. ECI instruction No. 464/INST/2011/EPS dated 28-03-2011 has clarified that the expense on the vehicle of the district level party office bearers/leaders (other than star campaigners) for the purpose of their visit to multiple ACs within the district for electioneering shall not be included in the accounts of candidate(s). It is further clarified that if the district functionary himself is a candidate, contesting from the same district and such vehicle is used for his movement in the constituency from where he is contesting, or such vehicle is used for campaign for any particular candidate(s), then the hiring charges of the vehicle shall be included in the accounts of the candidate(s) using the vehicle for campaign purpose.

It is further clarified that it shall not result in booking any part of the travel expenditure of the political leader to the account of the candidate, if such persons sharing the transport with the leader (Star Campaigner), do not play any role in election campaign for the candidate. However, if any candidate/candidates share the transport with such leader, then 50% of the travel expenditure shall be apportioned to the candidate/candidates.

Subject: Expenses incurred on community kitchen (langar, bhoj, etc.) - inclusion in the account of election expenses of candidates- regarding

Sir,

1. I am directed to refer to Commission's instruction of even number dated 07-10-2011, regarding the expenditure incurred on community kitchen (langar, bhoj, etc.) and inclusion thereof in the account of election expenses of the candidates
2. In the context of the above instruction, a doubt has been raised with regard to participation of candidates in the community kitchens (langar, bhoj, etc.) organised by regional communities in their religious institutions as a matter of customary practice and the bhoj/feast, etc. offered as a matter of social practice following a ritual ceremony, like, marriage, death, etc. The instruction of the Commission under reference clearly states that the expenditure on the community functions will be treated as the election expenses of a candidate and added to his account if any contesting candidates attends some community kitchen (in whatever name has been called) either organised by him or by any other person **to entertain the electors**. It is hereby again clarified that the above instruction does not apply to community kitchens/langars, etc. organised by religious communities within their religious institutions as a customary practice or the bhoj/feast, etc. offered by any person (other than the candidate) in the normal course to celebrate any ceremony like, marriage, death, etc., and the expenses incurred on such community kitchen/ langar/ bhoj/feast, etc. shall not be included in the election expenses of the candidate, provided that the candidate participates therein in the normal course as a normal visitor.

It shall be further ensured that the candidate does not make any financial contribution for arranging such community kitchen, etc. and no political campaign in any manner is undertaken at such community kitchen, etc.

INSTRUCTION SL. No. 46
(Compendium of Instructions-Voll)

Subject: Code of Conduct for Television broadcasts in Connection with elections.

1. The Election Commission (EC) recognized the significance of television in the coverage of elections. Its reach is widespread and its impact substantial. On the one hand television can be misused to favour one party or another. But, on the other hand, the EC recognizes that television can, if used properly be an important source of information for voters across the country, it can provide the widest first hand education for voters on political parties; their symbols, the various leaders, the different issues in the election.

This is why television all over the world is the single biggest source of information of voters in terms of debates, campaign, coverage etc.

2. It is essential therefore that a model code of conduct is established for television both to ensure it is not misused as well as to ensure it is used in the best interests of democracy and the voter.
3. Listed below are the do's and don'ts for election coverage on television.

(a) Don'ts

- (i) There should be no coverage of any election speeches or other material that incites violence, one religion against, another one caste against another one language group against another etc.
- (ii) In any constituency only one candidate should not be projected. While it is not necessary to cover every single candidate (as some constituencies may have several candidates) at least the more important should be covered in any report from a constituency.

(b) Do's

- (i) The following could be covered in a balanced and fair manner:
 campaigning and excerpts from campaign speeches:
 symbols, banners and other campaign material of parties:
 results of opinion polls by non-political, professional organisations with a proven track record party manifestoes (critical analysis of which is also perfectly legitimate):
 candidates and their views in different constituencies across the country:

the positions taken by the main parties on different issues important to the electorate:

debates between major parties and candidates:

analysis of previous voting patterns, victory margins, swings, etc.

4. By 'balanced and fair' it is meant that among the major political parties:

no one political party should be given substantially more coverage than others. This 'balance' need not be achieved in any single day or in a single story, but over a reasonable period of time, say one week.

balance does not mean each party must get exactly the same air time to the last second, but parties should be given broadly the same amount of time.

balance implies that to no reasonable person should it appear that one political party is being projected to the exclusion of others.

5. Procedures

All producers must record a copy of their programme off air for use as reference in case of any disputes.

The EC shall be the final arbiter in any dispute.

6. The final interpretation of any disputed passage or story should be with the Election Commission. In case of a disagreement with the broadcaster, one authority could be nominated by the Election Commission

Subject: Measures taken by Election Commission to curb use of money power during elections regarding.

Sir/Madam,

Instances are reported to Commission and also in Media that cash, liquor and several utility items are being used in a clandestine manner during the process of elections for bringing influence on the voters. Such distribution of cash, liquor or any other item for gratification of the voters is bribery and is punishable under Indian Penal Code. It is also corrupt practice under RP Act, 1951.

2. During the Commission's meeting with all political parties, held on 4th October 2010 the use of money power during elections was discussed and the Commission's instructions to monitor election expenditure during general election to the Legislative Assembly of Bihar were welcomed by all the parties. (Copies of Commission's instructions are available on the website: www.eci.nic.in.)

2. To curb the incidence of such offences the Commission has issued instructions to the Law Enforcement Agencies to form flying squads to keep watch over distribution of cash, liquor and other items in the constituencies during the election process and seize the said items. The services of Investigation Directorate of Income Tax Department have also been requisitioned to keep vigil over movement of cash through Airports, major Railway Stations, Hotels, Farm Houses, Financial Brokers and Hawala Agents. The Commission has also advised the candidates to open separate bank accounts for their election expenses and to make all election expenses through the said bank accounts.

4. It is needless to point out that any fund provided by the party to its candidates for election purpose are required to be reflected in the day to day accounts of election expenditure of the candidate and the parties are also required to maintain and lodge the accounts before the

Commission after the election is over.

5. In order to maintain the purity of elections and in particular to bring transparency in the process of elections it is advised that political parties avoid transactions in cash and should instruct their office bearers, officials, agents and candidates not to carry huge cash during the on-going process of elections.

ELECTION COMMISSION OF INDIA

No.76/Instructions/2014/EEPS/Vol.XII

Dated: 29th August, 2014

To

The Chief Electoral Officer,
Jammu & Kashmir
Srinagar

Sub:- Jammu and Kashmir Legislative Assembly Election - Opening of Separate Bank
Account for election expenditure by the candidate one day before the date notification of
election - Reg.

Sir,

I am directed to state that the superintendence, direction and control of elections to the State Legislature is vested in the Election Commission of India under section 138 of the Jammu and Kashmir Constitution. Reports are received that the candidates are spending excessive amount in election campaign, which disturbs the level playing field and are not showing correct expenses in the day to day accounts of their election expenses. Therefore, for maintaining the purity of election process, facilitating maintenance of correct accounts of election expenses by the candidates and also for their proper monitoring, the Election Commission of India issues the following instructions:

(i) In order to facilitate monitoring of election expenditure, each intending candidate is required to open a separate bank account exclusively for the purpose of election expenditure. This account can be opened any time only for the purpose of election, not later than one day before the date of notification of election. The account number of this bank account shall be communicated by the candidate in writing to the Returning Officer (RO) of the Constituency at the time of filing of his nomination. Wherever the candidate has not opened the bank account or not intimated the

bank account no., the RO shall issue a notice to each such candidate to comply with the Commission's instructions.

(ii) The bank account can be opened either in the name of the candidate or in the joint name with his election agent for the purpose of election expenditure. The said bank account should not be opened in the joint name with any family member of the candidate or any other person, if he/she is not the election agent of the candidate.

(iii) The bank account can be opened anywhere in the state. The accounts can also be opened in any of the banks including the co-operative banks or in the post offices. The existing bank account of the candidate should not be used for this purpose as it has to be a separate bank account for election purpose.

(iv) All election expenditure shall be made by the candidate, only from this bank account. All expenses to be incurred by the candidate on electioneering shall be deposited in this bank account, irrespective of its source of funding including candidate's own fund. A self-certified copy of the statement of this bank account shall be submitted by the candidate to the DEO along with the statement of the account of election expenditure as required to be filed within a period of 30 days from the date of declaration of result.

(v) The candidate(s) shall incur his/her election expenses by crossed account payee cheque, or draft or by RTGS/NEFT from the bank account opened for election purpose. However, if the amount payable by the candidate(s) to any person/entity, for any item of expenditure, does not exceed Rs. 20,000/- during the entire process of election, then such expenditure can be incurred in cash, by withdrawing it from the said bank account.

(vi) The candidate is required to deposit the entire amount received through any source and meant for election expenses in the said bank account and all his/her election expenses are to be incurred only from the said account.

(vii) The candidate is also required to ensure that neither his/her agents and/or followers nor he/she himself/herself carries cash exceeding Rs. 50,000/- in the constituency during election process, as per direction dated 30.11.2012 of Hon'ble Supreme Court in the case of Election Commission Vs. Bhagyoday Jan Parishad and Ors. (SLP No. CC 20906/2012) (copy enclosed).

(viii) It is hereby clarified that if any election expenses are incurred without routing it through the said bank account or not by way of cheque or draft or RTGS/NEFT, as mentioned in para (v) above, it will be treated that the candidate has not maintained the accounts in the manner, prescribed by the Commission.

(ix) The DEOs shall issue suitable instructions to all the banks or post offices located in their districts to ensure that they open dedicated counters for election purpose to facilitate prompt service to the candidates in opening of bank accounts. The banks shall also allow withdrawals and deposits from the said account on priority basis during the election period.

2. I am directed to request you to bring it to the notice of all candidates, election officials and all concerned.

Yours faithfully,

SECRETARY

ELECTION COMMISSION OF INDIA

Nirvachan Sadan, Ashoka Road, New Delhi - 110001.

No. 491/SM/2013/Communication

Dated: 25th October 2013

To,

1. Chief Electoral Officers
of all States and Union Territories
2. Presidents/General Secretaries
of All National/State recognized Political Parties.

Sub: Instructions of the Commission with respect to use of Social Media in Election Campaigning.

Sir,

The Commission's attention was drawn to use of social media for election campaigning and also certain violations of the Electoral Law in the social media, which need to be regulated in the interest of transparency and level playing field in the elections.

Social media refers to the means of interactions among people in which they create, share, and/or exchange information and ideas in virtual communities and networks. It differentiates from traditional/industrial media in many aspects such as quality, reach, frequency, usability, immediacy, and permanence. The prevalence of Web and social media has increased over the years and there have been demands from the political and social groups to regulate the social media during elections as other media is regulated.

There are broadly five different types of social media:

- a) collaborative projects (for example, Wikipedia)
- b) blogs and micro blogs (for example, Twitter)
- c) content communities (for example, YouTube)
- d) social networking sites (for example, Facebook)
- e) virtual game-worlds (e.g., Apps)

Legal provisions relating to election campaigning apply to social media in the same manner in which they apply to any other form of election campaigning using any other media. Since social media is a relatively new form of media, it appears necessary to clarify to all concerned by the following instructions:-

A. Information to be given by candidates about their social media accounts.

Candidates are required to file affidavits in Form-26 at the time of filing of nominations. Detailed instructions and the format in which the affidavits have to be filled were issued vide the Commission's letter No. 3/4/2012/SDR dated 24, August, 2012. Para 3 of this Form requires that email ID of the candidate, if any, should be communicated to the Commission in this Form. The Commission finds it necessary that authentic social media

accounts of candidates should also be informed to the Commission. This information should be furnished in the said Para 3 as follows:-

My contact telephone no.(s) is/are _____, my

email ID (if any) is _____, and

my social media accounts (if any) are _____.

B. Pre-Certification of Political Advertisements

In pursuance of the Hon'ble Supreme Court of India's Order in SLP (Civil) N. 6679/2004, dated 13 April, 2004, the Commission issued detailed instructions on this subject vide its order no. 509/75/2004/JS-1/4572 dated 15.04.2004. In this order, it was stated that every registered/national and State political party and every contesting candidate proposing to issue advertisements on television channels and/ or on cable network will have to apply to Election Commission of India/designated officer for pre-certification of all political advertisements on electronic media before the publication. The order was further modified and consolidated vide Commission's order dated 27.08.2012, wherein Media Certification and Monitoring Committees at district and State levels were given the responsibilities of pre-certification of such advertisement along with other functions viz acting against Paid News etc. Since social media websites are also electronic media by definition, therefore, these instructions of the Commission contained in its order No.509/75/2004/JS-1/4572 dated 15.04.2004 shall also apply mutatis mutandis to websites including social media websites and shall fall under the purview of pre-certification. You are, therefore, requested to ensure that no political advertisements are released to any internet based media/websites, including social media websites, by political parties/candidates without pre-certification from competent authorities in the same format and following the same procedures as referred in the aforesaid orders.

C. Expenditure on campaigning through internet including social media websites.

According to Section 77, sub section (1), of Representation of the People Act, 1951, every candidate is required to keep a separate and correct account of all expenditure in connection with the election incurred or authorized by him or by his election agent between the date on which he has filed nomination and the date of declaration of the result thereof, both dates inclusive. The Hon'ble Supreme Court of India had directed in Common Cause Vs. Union of India in 2005 that political parties should also submit a statement of expenditure of elections to the ECI and such statements are required to be submitted within 75 days of assembly elections and 90 days of Lok Sabha elections. It is obvious that expenditure on election campaign through any advertisement in social media is a part of all expenditure in connection with the elections.

For the sake of removing any ambiguity, it is hereby directed that candidates and political parties shall include all expenditure on campaigning, including expenditure on advertisements on social media, both for maintaining a correct account of expenditure and for submitting the statement of expenditure. This, among other things, shall include payments made to internet companies and websites for carrying advertisements and also campaign related operational expenditure on making of creative development of content, operational expenditure on salaries and wages paid to the team of workers employed by such candidates and political parties to maintain their social media accounts, etc.

D. Application of Model Code of Conduct to content on internet including social media.

The Commission has a model code of conduct in place during the elections in respect of political parties and candidates which remains in force from the date the elections are announced by the Commission till the completion of elections. It is clarified that the provisions of model code of conduct and related instructions of the Commission issued from time to time shall also apply to the content being posted on the internet, including social media websites, by candidates and political parties.

- E. As far as the content posted by persons other than candidates and political parties is concerned, the Commission is considering the matter in consultation with the Ministry of Communication and Information Technology on practical ways to deal with the issue, in so far as they relate to, or can be reasonably connected with, the election campaigning of political parties and candidates.

These instructions may please be brought to the notice of all concerned including candidates, political parties, media and election observers for immediate necessary action.

Yours faithfully,

Dated 29th August, 2014

To

1. The President/General Secretary of all Political parties.
2. The Treasurer of all Political parties.

Subject: Guidelines on transparency and accountability in party funds and election expenditure matter ñ regarding.

Sir/Madam,

Under Article 324 of the Constitution, Election Commission of India is vested with the responsibility to conduct free and fair elections. Concerns have been expressed in various quarters that money power is disturbing the level playing field and vitiating the purity of elections. To curb the abuse of money power during elections, the Election Commission has issued several instructions in the past to the candidates and political parties from time to time.

2. It is desirable for the political parties to observe transparency and accountability in respect of funds raised and expenditure incurred, both during elections and in other times. Further, in the interest of conduct of free and fair elections it is necessary and expedient to provide guidelines for bringing transparency and accountability with regard to fund of political parties.

3. In order to formulate the guidelines, the Commission sought comment/suggestions/inputs from all recognized political parties. While most of these parties supported the issue of transparency guidelines, some other had a different view. Having regard to the suggestions received from the political parties and in the interest of purity of election process, the Commission hereby issues the following guidelines under Article 324 of the Constitution, to bring transparency and accountability in funding of political parties: -

- (i) Provision (a) to Section 13A of Income Tax Act 1961, inter-alia, provides that political party shall keep and maintain such books of accounts and other documents as would

enable proper deduction of its income there from. Accordingly, it is required that (a) the treasurer of the political party or such person as authorized by the party, besides ensuring maintenance of the accounts at all State and lower levels, shall maintain consolidated accounts at the central party Head Quarters as required under the aforesaid provision, (b) the accounts so maintained by him/her shall conform to the guidance note on Accounting and Auditing of political parties, issued by the Institute of Chartered Accountants of India (ICAI), and (c) the Annual Accounts shall be audited and certified by the qualified practicing Chartered Accountants.

- (ii) The Commission has amended the requirements for registration of a new political party w.e.f. 8th October 2010, which inter-alia, require a party to submit a copy of its audited annual accounts. Accordingly, in order to bring uniformity, all political parties shall submit to the Commission or to such authority as mentioned in para (vi) below, a copy of the audited Annual Accounts with Auditor's report for each financial year, before 31st October of each year.
- (iii) The provisions of Section 80GGB and 80GGC of I.T. Act 1961, inter-alia, state that no deduction shall be allowed on the contributions made in cash by any person or company to a political party. Accordingly, the political party shall maintain name and address of all such individuals, companies or entities making donation to it, excepting petty sums, donated by the public only during its public rallies. Further, any amount/donation received in cash, shall be duly accounted in relevant account books and deposited in the Party's bank account within a week of its receipt. However, the Party can retain a reasonable amount required for day to day functioning of the Party and for defraying the cash expenses.
- (iv) Section 40A(3) of Income Tax Act, 1961, provides that all payments exceeding Rs.20,000/- by any business entity to a person in a day are required to be made by account payee cheque/draft, except the exempted category as provided in Rule 6 DD of

Income Tax Rules, 1962. Similarly, if a party is incurring any expenditure, it shall ensure that no payment in excess of Rs.20,000/- is made in a day to any person or company or entity in cash, except where (a) the payment is made in a village or town, which is not served by a bank; or (b) the payment is made to any employee or party functionary towards salary, pension or for reimbursement of his expenses; or (c) cash payment is required under any statute.

- (v) Section 77(3) of the R.P. Act, 1951 provides for a ceiling of election expenditure for a candidate. Therefore, if the party desires to provide any financial assistance to its candidates for their election expenses, such assistance shall not exceed the prescribed ceiling. Any payment in this regard by the party shall be made only through crossed account payee cheque or draft or through bank account transfer and not in cash.
- (vi) While the recognized political parties shall file all reports, namely, the contribution reports in Form 24A, the audited Annual Accounts as certified by the Chartered Accountants, referred to in para 3 (i) above, and the Election Expenditure Statements, with the Election Commission of India, the unrecognized parties shall file the same with the Chief Electoral Officer (CEO) of the respective states (i.e. the state where the party Head Quarters is situated) in the prescribed time and manner.
